Summary

I am a 5th semester Computer Science student currently exploring web development. What sets me apart is my drive to constantly explore new possibilities and embrace challenges. Trying to learn Java, Python and various other tools for full stack development. I am always eager to learn and never afraid to experiment.

Experience

Software Conceptual Design

NPTEL

Aug 2023 - Present (2 months)

Web Development Intern

CodSoft

Aug 2023 - Present (2 months)

Web Development using React.js

CETPA Infotech Pvt. Ltd.

Aug 2023 - Aug 2023 (1 month)

It was a one week training program from CETPA. I conceptualised the ideas shared by the faculties and became confident in those topics.

Data structure algorithm and Web Development

Coding Blocks

Jan 2023 - Present (9 months)

I have completed my DSA part with coding blocks and currently continuing the course of web development.

Education

Kendriya Vidyalaya, ARC, Charbatia

10th, Science

2018 - 2019

I completed my CBSE 10th boards from this school with 96.4% and scoring 100/100 in Mathematics.
